To whom it may Concern

'CHESS Homeless' is a charity operating in Chelmsford who specifically work with single homeless adults, in offering them an opportunity to regain control of their lives and settle back into main stream accommodation. We have seen an increase in the number of homeless people on our streets and have been fortunate enough to be able to purchase a grade 2 listed building for increasing the provision we offer to the homeless.

CHESS have begun the renovation programme and have engaged the services of Full Works in this. We have found the team to be polite, professional, friendly and flexible. Due to us having to get the facility up to speed as soon as possible we have had to have several ad-hoc meetings to update and progress works and even sometimes change the order of things, Full Works have always been very accommodating. They have also been generous to us by offering some items free of charge - as a charity this has been more than useful for us.

We would recommend Full Works as a company to work with you and have found their work, their team and their manner very accommodating.

Kind regards

Rob Saggs
Executive Director.
